

St George's News

Programme running order

1. Anchor people in studio introduce news . *"First a story about Miss Kanes who has promised not to eat crisps but was seen today eating two packet,s she is now in hiding from Gary Lineker, and now more serious news...."*
2. Reporter introduces story of 'Shooting of boy' using reconstruction and CCTV footage.
3. Anchor people - *"over to our reporter....."*
4. Reporter –'Alcohol in street' introduces scenes in the street after heavy drinking Two 'experts' told us about dangers of alcohol.
5. Anchor people – footage of people throwing litter in the street
6. Anchor people – footage of drug use in park and children being frightened away
7. Scenes of children doing graffiti – shown as if news team have followed local resident who confronts the vandals and suggests that they should join an art club.
8. Back to news desk *" if community action can tackle graffiti what about other problems*
9. Children act out scenes showing their ideas for improvements/changes :

👉 Drinkers are persuaded to do something more positive

👉 Local community decide to clean up the park and complain to council for more bins

👉 Police arrest drug dealers children told that they will e safer because there are more CCTV in park

👉 Community stop a revenge shooting and say they've had enough and police are called to arrest them

Roundup – tune in next week for more stories.....
